

Get a matching gift from your employer!

Many corporations will match the gifts made by their employees and retirees to a qualified non-profit organization. Companies usually match the tax-deductible portion of your gift, which means that your contributions to the Germantown Community Scholarship Fund could qualify.

Here's how to increase your donations to GCSF in three easy steps:

1. Locate your company's name on this list. If your company isn't on our list, find out if it has a matching gift program.
2. Obtain a matching gift form from your personnel, human resources, or charitable giving office.
3. Send the completed form with your donation to the

Germantown Community Scholarship Fund

W180 N11501 River Lane

Germantown, WI 53022

(If you have already donated, just send the completed form. Depending on your company's guidelines, we still may be able to obtain a match.)
